They apply to any access and any consultation of the Service or the Application by the Addressee as well as to any use of the Service or the Application by the Addressee.

2.2 The Addressee’s General Terms and Conditions do not apply.

2.3 The other services performed by bpost are governed by other general terms and conditions that the Addressee can read at [www.bpost.be](http://www.bpost.be). In the event of inconsistency between those general terms and conditions and these General Terms and Conditions, the latter have priority.

2.4 When confirming Preferences in the manner set out in Article 5, the Addressee is requested to read these General Terms and Conditions and to confirm and accept the provisions in these General Terms and Conditions in a special window that is displayed on the Addressee's Computer, Smartphone or Tablet by clicking or tapping the box alongside the words "I accept the general terms and conditions and have been informed about the use and protection of my Personal Data as stated in article 13 of these General Terms and Conditions. I accordingly understand that bpost is also permitted to use the data I share through the Application to inform me of similar services and campaigns of bpost (including through social media). I can unsubscribe by email at any time

2.5 bpost reserves the right to amend these General Terms and Conditions. Any new version of or amendment to the General Terms and Conditions will come into effect as soon as they are published online in the Application. The Addressee shall be deemed to have accepted this new version or the amendment by the simple act of continuing to use the Application or the Services. Any purchase or use of the Service by the Addressee is regulated by the General Terms and Conditions applicable on the date of the Order, as registered by the Application.

### **Article 3: Description of the My Preferences Service and Limitations**

3.1 The My Preferences Service consists of the possibility for the Addressee to enter and clarify by means of an illustration, as soon as the online Application is opened on his/her Laptop, Smartphone or Tablet his or her delivery preferences, which are used by bpost to deliver the Parcel if the Addressee requests delivery to another Location if he or she is not home.

3.2 The My Preferences Service is made available to the Addressee for his or her own needs and as part of the management of his or her Parcels.

3.3 The Application and the My Preferences Service and the relationship with the Addressee are available in three languages, Dutch, French and English, as the Addressee chooses.

3.4 The Application uses the email addresses used by the Sender to announce parcels to bpost and matches them with the email addresses that are activated in the My

Preferences Service. If the Addressee has entered his or her preferences, whenever the Addressee is absent any Parcels with an email address stated in the preferences will be delivered in accordance with the entered preferences. After completing the profile registration, bpost will notify the Addressee by letter at the address stated in the My Preferences Service that Parcels that can be matched on the basis of his or her Personal Data (including name and address) will be delivered in accordance with his or her preferences. As a result, bpost can maximise the number of Parcels it delivers on the basis of the registered delivery preferences. The Addressee is entitled to decide not to allow this by filing a complaint by filling out a webform within <10> days of receiving this letter.

### **Article 4: Using the Application**

4.1 The Service is accessible through internet. To use the Service the Addressee must have an internet connection, the costs of which are payable by the Addressee and for which the Addressee is exclusively responsible. The Addressee must also ensure that the Computer, Smartphone or Tablet and its operating system support the Application in accordance with the required configuration conditions as set out by bpost and/or on the website that provides access to the Application. To use the Services, the Addressee must also have a valid email address.

4.2 The Addressee is fully liable for the use of the Application and the Service. In particular, the Addressee acknowledges that he or she can be held liable in the event of identity fraud. The Addressee undertakes to use the My Preferences Service in accordance with these General Terms and Conditions and any applicable law or regulation. The Addressee's attention is drawn to the fact that theft and identity fraud are serious criminal offences that will be punished under criminal law and that entering into an agreement in the name or for the benefit of a third party by claiming to be this person or the authorised representative of this person shall result in a criminal complaint being filed with the Crown Prosecutor.

4.3 The Addressee is responsible for the use of his or her personal details in the Application on the Computer, Smartphone or Tablet. To limit

any risk of abuse by theft or use by third parties, the Addressee is requested to protect access to the Computer, Smartphone or Tablet with all possible means (including use of an access code).

4.4 If the Addressee designates a specific Neighbour as preferred Delivery Preference, the Addressee must notify the Neighbour of this. If the Neighbour designated by the Addressee refuses to accept multiple deliveries on behalf of the Addressee, bpost may ask the Addressee to change his or her Preferences. (such as any neighbour or a Safe and Secure Place). If the Addressee does not respond or the neighbour does not fulfil the criteria set down in Article 1, bpost reserves the right to deliver the Parcel to a Pick-up Point in accordance with the regular procedure if the Addressee is not home.

4.5 If the Addressee designates a Safe and Secure Place, the Addressee is solely responsible for the selection. The Addressee is asked to designate an accessible and dry Safe and Secure Place that is not visible for the public from the street. If the Addressee describes this Safe and Secure Place, he or she must only provide relevant information about this Safe and Secure Place. The Addressee may also upload two illustrations via the Application. The stipulations of Article 10 apply in full in this regard. The Addressee is responsible for designating the Safe and Secure Place. bpost is accordingly not liable for damage to or loss of these Parcels. If the designated Safe and Secure Place does not meet the criteria as set down in the definition in Article 1 or if the Parcel cannot be delivered to the Safe and Secure Place, bpost may unilaterally decide to deliver the Parcel to a Pick-up Point in accordance with the regular procedure if the Addressee is not home. bpost is entitled to regularly check the uploaded photos and descriptions and bpost can remove a description or photo without prior notification or permission of the Addressee if it contains illicit language.

4.6 The Addressee may also choose to designate a direct drop in a Pick-up Point as first delivery location. If the Parcel cannot be delivered to the designated Pick-up Point for operational reasons, bpost can unilaterally decide to deliver the Parcel to the Addressee's address or to another Pick-up Point.

## **Article 5: Registration of My Preferences**

5.1 Any registration of a preference shall take place via the internet, in the Application in accordance with the procedure and in the order set out below. To this end, the Addressee must launch the Application and ascertain that there is a connection to the internet.

10.6 bpost may stop providing the Services and using the Application at any time without prior notice, without this having any impact on existing instructions of the My Preferences Service already received by bpost in a legally valid way, which will be fulfilled in accordance with the provisions of these General Terms and Conditions.

10.7 bpost reserves the right to make changes to a preference if these changes are deemed to be in the interest of the Addressee. bpost must
